Contractor Rotary Flat Surface Cleaner

Hydro Twister® ANT4C

The Hydro Twister® ANT4C 4-in-1 Contractor Industrial Flat-surface Cleaner by AquaTools connects to a pressure washer and uses two nozzles rotating at high RPM within an inch of the ground. It will clean concrete up to ten times faster than a standard wand, with more consistency and less operator fatigue. Simply connect to your power washer and move the Hydro Twister over the surface and watch a clean path appear behind the unit.

The Hydro Twister has the output to tackle big cleaning jobs fast. It combines the features of 4 different accessories all into one system (1. Surface Cleaner, 2. Water Broom, 3. Gum Spot Nozzle, 4. Edge Cleaning Nozzle) that allows you to easily swap between functions in seconds with the quick disconnect fittings. Rear casters lock to clean in a straight line.

- Pressure washer adaptable
- Quick disconnect fitting saves time
- Four-in-one tool accessories
- Reduces overhead labor costs
- Low profile deck & rear splash guard
- Reduced maintenance costs
- Reduced fatigue

ANT4C	Hydro Twister® 4-in-1 surface cleaner
HotCart	HotCart hot high pressure washer
107146814	KEW Poseidon 7-67 cold & hot water pressure washer

Special Features

The Hydro Twister has the output to tackle big cleaning jobs fast. It combines the features of four different accessories all into one system that allows you to easily swap between functions in seconds with quick disconnect fittings. Rear casters lock to clean in a straight line.

1. **Surface Cleaner:** Clean up to 20 times faster than with a standard wand without leaving "zebra stripes".
2. **Water Broom:** Quickly rinse the area from debris before or after you clean. An integrated water broom makes non-stop cleaning convenient by eliminating the need to disconnect and reconnect tools.
3. **Gum Spot Nozzle:** The exclusive SIX-SHOOTER gum/spot nozzle blasts stubborn spots or imbedded gum with pinpoint accuracy is mounted beneath the deck so that there is no overspray when removing gum or paint spots
4. **Edge Cleaning Nozzle:** Clean the strip right up against pillars, columns, walls and buildings.

Compatible Products

HotCart Hot High Pressure Washer -

Just provide the water and we'll heat it up to 185°F with flows up to 13.2 gallons per minute. With AaquaTools HotCart hot high pressure washer option, you can enjoy hot water and high pressure up to 2750 psi with flows up to 5.5 gpm.

Poseidon Hot & Cold High Pressure Washer

- The KEW Poseidon 7-67 premium class industrial cold & hot (up to 185°F) water pressure washer combines the renowned lifetime and quality of the C3 pump with optimal ergonomics to bring an unbeatable heavy duty pressure washer to many industries. The high water flow makes it very useful for applications where a high level of dirt has to be removed or flushed away.

Applications

Driveways, drive-thrus, patios, garages, concrete sidewalks, school yards, factory & warehouse, restroom floors, food processing floors, service stations, concrete parking lots, pool decks, sport courts, roofs & decks, loading docks, tile flooring, stadiums, marina docks, moss & mildew removal.
